Here are the blessings for the Great Bliss Wisdom Dakini. First is the blessing of the cleansing water:

ଶୁଦ୍ଧିମୁଖୀଜ୍ଞାନାମାତ୍ରା

MAM BAM KHAM AM RI TA BI SHUD DHE AH

From emptiness, above the cleansing water, appears a blue HUM. It is transformed into Karmadakini,

surrounded by the left-turning mantra. From it emerge light rays both hot and sharp. They dissolve into the cleansing water, endowing it with power. *Think that. Recite that mantra a hundred times.*

OM JNA NA DA KI NI KAR MA TA TRI TA BA DZRA TRO DHI SHO RI HUM PAY (100x)

The dakini melts into light and dissolves into the cleansing water. It becomes capable of accomplishing all activities.

Finally, you will accomplish the vajra state, indistinguishable from the supreme mother of the victors. Sealed! Sealed! Sealed! This was correctly copied by Dechen Barway Dorje at Meri Barwa from the dakinis' symbols written on tree-bark. It was subsequently written out by my disciple Karma Dechen. May it cause all beings to be accepted by the Vajra Queen!

The Conclusion to the Intermediate Activity of the Great-Bliss Wisdom Dakini

The empress of great bliss, the dakini, delights in feast gatherings. When gathering at the foot of trees in charnel grounds and so on, gather the five nectars and the five meats, spices, vegetables, cooked rice, the amrita of intoxicating beverages, the ten objects for authentic union and liberation, and so on, in abundance. Open the mandala of the dakinis and perform the feast of yogins:

White Khechari Tsok Sadhana

This feast offering for the accumulation and fulfillment of feast offerings to the Dakini was written by Karma Drupgyu Tenpay Nyima, the Third Bardor Tulku, on Lha Bap Duchen in the year 2002 while I was engaged in a Khechari retreat. Virtue! Through the blessing of offering desirable feasts, May we confess contraventions, errors, and wrongs. May we confess all violations of samaya and vows. I pray that you grant the siddhi of complete purification.

With the signs of presentation and acceptance, the yogins and yoginis enjoy the feast.

[The tsok song, *Feast Song Pleasing to the Three Roots*, can be inserted here if desired.]

The seven stages of the conclusion: When completing the yoga of dakini accomplishment – according to time, number, or direct vision – gather the attainment materials, separate them from obstructors, and again perform the repetition. Confess any bases of disharmony and be diligent in fulfillment. Rain down blessings, pray, and receive the four empowerments. Repeat the mantra for the exhortation of attainment and, linking it to the root mantra, receive the attainments.

I have repeatedly made the good aspiration that all who form a connection with this reach the celestial realm. All who wish to reach the nirmanakaya realm, a hidden land, without abandoning their bodies: be diligent in making this aspiration! In response to the repeated and insistent request of my son Yudra Nyingspo, I, Barway Dorje, the lord of dakinis, composed these instructions like my heart in a place like a heart amidst pure appearances. My aspirations were set down in writing by the miraculous fingers of Karma Tashi Gyurme with the speed of an arrow. Through the virtue of this may all beings achieve the celestial state.

*E Ma Ho! I offer this wisdom feast with nine stanzas, like the yantras,
As song and dance pleasing to the three roots.*

*Keeping the root – vajra samaya – in your hearts,
May you three jewels and three roots be pleased.*

May my karma and that of all my parents who wander through the six states be purified.

May we never take bad births, but ascend to the realm of freedom.

May we never take our virtuous, but ascetic, life from the realm of freedom.
May we reach it repeatedly, applying our three gates to dharma.

I pray that great good for beings and the teachings be achieved.

Insert

*With ten fingers dancing in auspicious delight,
May auspicious good be achieved for beings and the teachings.
May the victory banner of auspicious declaration be heard everywhere.
May the victors' auspicious eternal teachings shine like the sun.
May the sunlight of Karmapa's auspicious teachings reach everywhere.
I repeatedly pray with this auspicious good wish.*

This was spontaneously written by one to whom the glorious Seventeenth Gyalwang Karmapa Ogyen Drodül Trinley Palden Wangi Dorje, while residing at the seat of Okmin Tsurphu, gave the name Pal Traktung Barway Dorje Tsuklak Maway Nyima Kunzang Lhundrup Gyepe De.

*By its virtue may the pride of my disciples be subdued by the sun of holy dharma.
May the eyes of others' disciples be opened by that sun's brilliant light.
May the demon of self/other, dualism, be ground to dust.
May the light of selfless wisdom increase.*

Samaya! Sealed! Sealed! Sealed!

Sarvamangalam!
