

# Subtle Essence Vajrasattva (SEV) Road Map

For Texts in 8.5x11 format

In the afternoon session the sadhana moves back and forth between two texts: Subtle Essence Vajrasattva (SEV) and Kang Sol. If you leave the text open to the page that was last chanted in each text, this will make it easier to find the place to pick up chanting where it previously ended. Instructions on which pages to go to from SEV to the Kang Sol have been updated in SEV shrine room texts.
